

Looking for a doctor?

Finding one online is fast and easy

The right doctor can make all the difference — and choosing one in your plan can save you money, too. Our **Find a Doctor** tool helps you find doctors, dentists, hospitals, labs and other health care providers in your plan. If you decide to get care from doctors outside the plan, it'll cost you more and your care might not be covered at all.

Here's all you need to do to find a doctor near you:

1

Go to anthem.com

2

Click on "Find doctor/Find Care" in top Right corner of screen. Then scroll down to search as a guest. At what type of care are you searching for? – Select Medical from drop down. For What State do you want to search in? Select State.

3

Next, for What type of plan do you want to search for? Select Medical (Employer -Sponsored)

4

Then, for Select a plan/network? If searching for provider outside of Ohio- select National PPO (BlueCard PPO) . If you are searching for providers in Ohio- select BlueAccess (PPO). Then click continue

5

Now you can search by:

- Specialties
- NPI
- Languages spoken
- Training
- A map of their office location
- Phone number

Going mobile

Search for doctors, hospitals and more on your smartphone or mobile device.

And don't forget that going mobile keeps everything you need to know about your plan — including medical, pharmacy, dental, vision, life insurance — in one place. It's simple, personal and all about you. Simply download the **Sydney** app to get started.

*If you don't know the name of the plan or network, check with your human resources department or benefits administrator.
