So, how does pet insurance work?

Presented by Nationwide®

1

Understand what you're buying

Know what is covered and what isn't—before you need it. Get a clear understanding of how reimbursements and deductibles work.

2

Choose coverage

Do you need a policy for a dog, cat or avian or exotic pet*?

*Avian and Exotic Pet Plan is available by phone only.

3

Pick a plan that works for you

Choose a reimbursement level that works for you. Premiums and annual deductibles vary by plan.

4

Enroll pets young and healthy

Pre-existing conditions aren't covered by any pet insurer. Enroll pets when they're young and healthy to help ensure maximum coverage at a lower cost.

5

Get reimbursed for vet visits

Pet insurance policies reimburse eligible veterinary expenses based on a percentage of treatment cost or an annual benefit schedule.
