

Preventing diabetes just got easier

SMART SCALE INCLUDED!

Introducing Lark Digital Health Coaching

People with prediabetes have higher than normal blood sugar which can substantially increase the risk of developing type 2 diabetes. People often don't even know they have prediabetes, because it can occur with no symptoms. The good news is that there are steps you can take now to decrease your risk.

Your employer has teamed up with Lark to bring you access to the tools you need to take those steps and prevent type 2 diabetes. Available 24/7 on your smartphone, the Lark Diabetes Prevention Program is included at no extra cost as a benefit of your health plan. If you qualify, you'll also get a digital scale with the opportunity to earn a Fitbit®.

Together we can help you:

Create healthy eating habits

Reach or maintain a healthy weight

Make time for physical activity

Manage stress levels

Improve sleep quality

Set and reach your health goals

Eligibility requirements for the Lark Diabetes Prevention Program include qualifying as prediabetic according to a survey designed by the Centers for Disease Control and membership in a participating health plan. You may be eligible to earn health-related devices such as a scale or Fitbit® at no cost to you. The ability to earn health-related devices may vary by health plan and may contain minimum program engagement requirements, such as weighing in, completing missions with your digital coach, and logging activity or meals. Eligibility determinations are made by Lark at its sole discretion.
