

## How is My Pet Protection Choice<sup>SM</sup> different from My Pet Protection<sup>®</sup>?

Available only through workplace benefit programs, My Pet Protection Choice offers additional flexibility for pet families, with customizable coverage, deductible and reimbursement levels.<sup>1</sup>

### Here's an example of how it works:

[1] Some exclusions may apply. Certain coverages may be excluded due to pre-existing conditions. See policy documents for a complete list of exclusions and any annual limits that may apply. Plans may not be available in all states. Policy eligibility may vary. [2] Example reflects Accident and Illness coverage with 80% reimbursement after \$250 deductible has been fulfilled and Wellness Level 1 coverage.

All plans require accident coverage; additional coverage for illness, hereditary & congenital, and wellness is optional. Optional coverage for behavior, prescription food and prescription supplements may also be available. Optional cruciate coverage may be added after the first year of coverage; not available in all states. Pre-existing conditions are not covered.
