

Need to make a claim? We can help!

Accident, critical illness, hospital indemnity, and health assessment benefit claims

An easy and responsive claims process

At Lincoln, we want to make the claims process as easy as possible. We'll inform you of what information we need, when we need it, and what to expect from us. From the initial contact to the benefit decision, we're here to support you every step of the way.

A claims specialist will review your claim and follow up with you, your physician, or your employer, if more information is needed. We'll make a claim decision once we've received all necessary information. If your claim is approved, benefits will be paid as outlined in your company's policy.
